

An aerial photograph of a coastal town, likely Tamarit in Spain. The image shows a sandy beach on the right, with waves breaking onto it. To the left of the beach is a residential area with many houses and palm trees. A white line is drawn across the image, starting from the water on the right, crossing the beach, and winding through the residential area towards the top left. A small white circle is placed on the line where it crosses the beach.

Tamarit – Spanien
